## **DISCLAIMER AND TERMS OF USE**

This disclaimer governs the use of this ebook. By using this ebook, you accept this disclaimer in full. The ebook contains information...the information is not advice, and should not be treated as such. You must not rely on the information in the ebook as an alternative to advice from an appropriately qualified professional. If you have any specific questions about any matter you should consult an appropriately qualified professional. The author and publisher have used their best efforts in preparing this report. The author and publisher make no representation or warranties with respect to the accuracy, applicability, fitness, or completeness of the contents of this report. The information contained in this report is strictly for educational purposes.

Every effort has been made to accurately represent this product and it's potential. However, there is no guarantee that you will improve in any way using the techniques and ideas in these materials. Examples in these materials are not to be interpreted as a promise or guarantee of anything. Self-help and improvement potential is entirely dependent on the person using our product, ideas and techniques.

We will not be liable to you in respect of any losses arising out of any event or events beyond our reasonable control. We will not be liable to you in respect of any business losses, including without limitation loss of or damage to profits, income, revenue, use, production, anticipated savings, business, contracts, commercial opportunities or goodwill.

Therefore, if you wish to apply ideas contained in this report, you are taking full responsibility for your actions.
